

AZOH: Representative of Urmia city expressed his concern about distribution of Urmia Lake's salt in East Azerbaijan province. According to SASM, Nader Qazipour citing article 50 of the constitution, said: " On Friday a heavy storm occurred in West Azerbaijan and salt of Urmia Lake was spread in the sky of East Azerbaijan:"

He requested from Abou Torabi to revive Urmia wetland as soon as possible for people of East Azerbaijan who won't inhale Salt more than this.

Abou Torabi said in response to the warning by Qzipour: "Effectiveness and policy of the eleventh government is visible in this case."
